WELCOME

A Message from the Principal

On behalf of the entire Maluti TVET College family — our staff, students, and community partners — I welcome you to our 2027 Prospectus. At Maluti, we believe that education is the most powerful tool for changing lives and building communities. Every year, thousands of young people walk through our doors and leave equipped with practical skills, professional qualifications, and the confidence to contribute meaningfully to South Africa's economy.

Our eight campuses across the Thabo Mofutsanyana District are committed to delivering quality technical and vocational training that is both relevant and responsive to the needs of industry. Whether your passion is engineering, business, hospitality, or agriculture, Maluti TVET College has a programme to match your ambition.

We invite you to explore what Maluti has to offer and take the first step towards a skilled, successful future.

Dr. M. Mokoena

Principal, Maluti TVET College

ABOUT US

Who We Are

Maluti TVET College is a public Technical and Vocational Education and Training institution governed by the Department of Higher Education and Training (DHET). Established to serve the communities of the Thabo Mofutsanyana District in the Free State province, the College has grown into one of the region's most important providers of post-school education and training.

The College operates eight campuses — Main Campus, Lere La Tshepe, Bonamelo, Itemoheleng, Kwetlisong, Sefikeng, Bethlehem, and Harrismith — each serving distinct communities with tailored programmes. With a strong emphasis on workplace-based learning and industry partnerships, Maluti graduates are highly regarded by employers across the province and beyond.

OUR FOUNDATION

Vision, Mission & Values

Our Vision	Our Mission	Our Values
<p>To be a leading TVET institution that produces world-class, industry-ready graduates who drive economic growth and social development in South Africa.</p>	<p>To provide accessible, quality technical and vocational education and training that equips students with relevant skills, knowledge, and values for productive participation in the economy and society.</p>	<p>Excellence • Integrity • Inclusivity • Innovation • Accountability • Community • Respect • Continuous Improvement</p>

STRATEGIC GOALS

What We Are Working Towards

Access & Equity	Increase enrolment from underserved communities and ensure no qualifying student is turned away due to financial constraints.
Quality & Relevance	Continuously align curriculum to industry needs, ensuring graduates are job-ready on day one.
Infrastructure	Invest in modern workshops, laboratories, and digital learning environments across all campuses.
Partnerships	Strengthen ties with business, industry, and government to create workplace learning and employment pathways.
Student Support	Provide comprehensive academic, financial, and psychosocial support to maximise student success rates.

ACADEMIC OFFERING

Programmes & Qualifications

Maluti TVET College offers two main qualification frameworks: the National Certificate Vocational (NCV) and the Report 191 NATED programmes. Both are accredited by the Quality Council for Trades and Occupations (QCTO) and recognised nationally and in industry.

National Certificate Vocational (NCV)

The NCV is a three-year programme (Levels 2, 3, and 4) designed to provide students with both theoretical and practical skills. Successful completion of NCV Level 4 meets the minimum admission requirements for higher education.
